Dear Scott Nelson, MD:

After further review of the specific facts and circumstances of this matter, the Centers for Medicare & Medicaid Services (CMS) rescinds its determination, issued by notice dated April 12, 2022, revoking Scott Nelson's Medicare enrollment and billing privileges.

Thus, your Medicare Provider Transaction Access Number(s) (PTAN) has been reactivated with the effective date that existed prior to the revocation. There will be no break in billing privileges.

This rescission is made with full reservation of rights and authorities to conduct further inquiry and to take any action that the Centers for Medicare & Medicaid Services may determine to be appropriate. This includes potential future action that pertains to the particular underlying conduct that served as the basis of the now rescinded revocation.

If you were placed on the CMS Preclusion List as a result of the now rescinded revocation, you will be removed from the CMS Preclusion List.

Provider Enrollment information is found in our Enrollment Center on our website at www.novitas-solutions.com.
